

QUILT CHARITY AUCTION FOR TSUNAMI VICTIMS

Robert Khan & Co Pte Ltd has on Saturday 15 January 2005 held a charity auction for tidal wave (Tsunami) victims at the Maison de Fontaine, 33 Scotts Road Singapore. A hall in one of the houses of Maison de Fontaine was made available for the day for the auction for free. The bulk of the items are quilts and teddy bears consolidated by Quilt & Sew Forth that were donated by many kind people.

At the conducting of the auction, 70 persons attended and 55 of them registered as bidders.

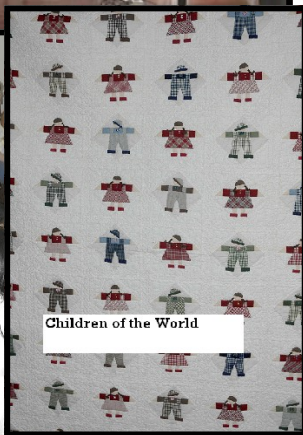

The total number of items for the auction sale was 175, out of which 149 were sold for a total sum of about S\$18,000.

One of the quilts named Children of the World (70" x 81") was sold for S\$2,310.00 which is about four times the prevailing bid for quilts.

Upon finalization of statement this sum will be released to the Singapore Red Cross Society.

Most important, credit must be given to the **public** for their spirit in contribution and participation.
