## TERMS & CONDITIONS OF SALE

1. Each bidder or participant at an auction conducted by Robert Khan & Co Pte Ltd (the "Auctioneer", which expression shall, unless the context requires otherwise, include any of its servants or agents) irrevocably agrees to abide by these Terms & Conditions of Sale and any other terms, conditions and stipulations contained in any catalogue, or announced by the Auctioneer, or displayed in or about the premises where the auction is conducted (hereinafter collectively referred to as the "Conditions of Sale").
2. Each bid for a lot shall constitute an offer by the bidder to purchase that lot at the price bid by him on the terms set out in the Conditions of Sale, which offer is accepted when that lot is knocked down to him.
3. The Auctioneer may, at the Auctioneer's absolute discretion:
  - (a) fix a reserve price for any lot;
  - (b) withdraw or alter the composition of any lot at any time before the fall of the hammer in relation to that lot; and

4. The seller may (either personally or through the Auctioneer or any other person) bid for any lot and may withdraw any lot.
5. In the event of any dispute as to any bid, the Auctioneer may immediately determine the dispute (which determination shall be conclusive), or may put up the lot again at the last undisputed bid, or withdraw the lot.
6. Subject to clause 3(a) above, the highest bidder for a lot shall be the buyer of that lot and the price bid by him shall be the purchase price.
7. Immediately after the lot has been knocked down to him, the buyer shall pay the Auctioneer:
  - (a) **50%** in cash and 50% in cheque (total 100% payment) of the purchase price (or such other proportion thereof as the Auctioneer may at its discretion accept) in cash by way of deposit and the balance by cheque crossed account payee issued in favour of the Auctioneer; and
  - (b) a commission equal to **10%** of the purchase price.
8. The buyer shall remove the goods purchased by him from the place where the auction is conducted (the "auction premises") or the place where the goods are stored, as the case may be, from **21 to 25 April 2008, between 9.30am to 5pm** but no goods shall be removed while auction is continuing, or before the full purchase price and the commission have been paid to the Auctioneer. If the buyer fails for any reason to remove the goods in accordance with this clause, he shall pay a fee of \$150 per lot per day from 26 April 2008 until the goods are removed or resold.
9. The purchase price, commission and any other sums payable by the buyer in respect of or in connection with the goods sold to him are exclusive of goods and services tax; and all goods and services tax and any other tax, duty or imposition by whatever name called payable in respect of or in connection with the goods sold to the buyer shall be borne by the buyer.
10. If the buyer fails to comply with clauses 7, 8 or 9 above, any deposit paid by him shall be forfeited and the lot may be resold by public auction or private treaty. Any deficiency arising from such resale, together all reasonable expenses in connection therewith, shall be recoverable from the buyer as a debt (credit being given to the buyer for any deposit forfeited under this clause).
11. The goods shall be at the buyer's risk from the fall of the hammer but no property in the goods shall pass to the buyer until they have been paid for in full.
12. Every person on the auction premises before during or after the sale shall be deemed to be there at his own risk and with notice of the condition of the premises and their contents.
